# One Gallon Recipes

## American Classic

This recipe uses the traditional combination of pilsner malt and rice adjuncts. It is light-bodied, refreshing and thirst quenching. A very easy recipe to brew and an excellent entry to craft brewing.

ABV: 3.5% - 4.0% | IBUs: 6 - 10 | Difficulty: Easy

## Kölsch

Kölsch is a crisp, clean, easy-drinking ale. It has a straw yellow hue similar to a pilsner, but is less hoppy, a bit sweeter and uses pilsen malt and a small amount of wheat.

ABV: 3.6% - 4.7% | IBUs: 18 - 22 | Difficulty: Easy

## Raspberry Golden ale

A Belgian Strong Ale base with specially selected yeast creates a predominant amount of fruity esters that pairs well with all natural raspberry flavoring. Although higher in gravity, this brew has a light to medium body that keeps it refreshing while still packing a punch!

ABV: 8.4% - 8.9% | IBUs: 21 - 25 | Difficulty: Easy

## Orange Gose

Our Orange Gose is a tart wheat ale with background notes of coriander and salt. Pilsner and wheat malt account for the base beer and the addition of natural orange flavoring complements its already slight fruitiness. This is a bright, crisp beer with light sourness and a very refreshing flavor.

ABV: 4.2% - 4.7% | IBUs: 4 - 8 | Difficulty: Easy

## Pineapple Honey Wheat

A honey-like sweetness and tropical tones from all natural pineapple flavoring enhance this classic wheat beer recipe. Light bodied and refreshing, this brew is truly an easy-drinker.

ABV: 3.6% - 4.2% | IBUs: 16 - 20 | Difficulty: Easy

## Tangerine Wheat

A refreshing fruit wheat beer recipe infused with natural tangerine flavoring extract. Effervescent carbonation and citrusy notes excite the palate, creating a satisfying brew that will let you enjoy the taste of summer all year long!

ABV: 3.5% - 4.0% | IBUs: 10 - 14 | Difficulty: Easy

## American Wheat

Wheat malt and select hops create the recipe for this easy-drinking summertime classic. Light-bodied with a smooth finish, our Wheat Beer features an authentic dry wheat yeast.

ABV: 3.8% - 4.3% | IBUs: 18 - 22 | Difficulty: Easy

## Belgian Saison

A light bodied, effervescent ale with warm malty flavors and a slight orange hue from the steeping grains. The included Belgian style yeast strain completes this farmhouse style ale by contributing a spicy and peppery background.

ABV: 5.1% - 5.6% | IBUs: 23 - 27 | Difficulty: Easy

## Belgian Tripel

Our Tripel contains light candi sugar to create a high gravity beer that is golden in color with a creamy, white head. This kit has plenty of dried malt extract and specialty grains to accent its complexity. The hops create a mild, spicy character.

ABV: 8.5% - 9.0% | IBUs: 32 - 36 | Difficulty: Easy

## Pale Ale

Perhaps the most widely brewed American style ale. Moderately strong hop aroma and bitterness. Pale ale malt base provides deep gold, almost amber, color and medium-bodied mouthfeel.

ABV: 4.7% - 5.2% | IBUs: 32 - 36 | Difficulty: Easy

## Grapefruit IPA

Our grapefruit IPA is brewed using real grapefruit peel and natural grapefruit flavoring to enhance the citrusy notes of the select hops. A light, malty-sweet character rounds out this glass of tropical bliss!

ABV: 5.0% - 5.5% | IBUs: 41 - 45 | Difficulty: Easy

## American Red Ale

A medium-light bodied ale with a deep red hue. Our Red Ale is smooth and easy drinking. Nice balance of caramel malts and low hop bitterness creates a refreshing brew.

ABV: 4.9% - 5.5% | IBUs: 25 - 29 | Difficulty: Easy

## Extra IPA - Hop Rotator Series

This Extra IPA - Hop Rotator Series recipe is designed to showcase the flavor and aromatic qualities of the specially selected hops.

ABV: 6.3% - 6.8% | IBUs: 61 - 65 | Difficulty: Easy

## IPA

We use plenty of hops to accent this popular style. From the bittering to the flavoring to the aroma hops, we created the perfect balance for this clean, crisp brew.

ABV: 6.0% - 6.5% | IBUs: 56 - 60 | Difficulty: Easy

## Imperial IPA

Not for the faint-of-heart, this beer is very big and very hoppy. Tons of mouth-feel and a malty sweet taste are well balanced by the high bitterness. Late kettle addition hops provide an intense spice and pine characteristic with subtle notes of grapefruit at the nose.

ABV: 7.0% - 7.6% | IBUs: 68 - 72 | Difficulty: Easy

## Mosaic® IPA

We use generous amounts of Mosaic® hops in this flavorful IPA. The complex array of tropical fruit, citrus and mixed-berry flavors from one of our favorite hop varieties is well balanced by a light, malty profile. A brew that is sure to leave your taste buds excited and thirsty for more.

ABV: 6.0% - 6.5% | IBUs: 56 - 60 | Difficulty: Easy

## Peanut Butter Brown

A medium bodied, sweet, malty beer with a strong peanut butter flavor and aroma. Crystal and chocolate malts create a rich, brown color while our natural peanut butter flavor provides a unique taste experience.

ABV: 3.8% - 4.3% | IBUs: 14 - 18 | Difficulty: Easy

## American Brown Ale

Our brown ale is slightly hoppier than its English counterpart. Imported Aroma and Brown specialty malts bring an intense sweet caramel and nutty flavor with notes of biscuit and fruit. The medium-dry finish lingers on the palate with aromas of malt and hops.

ABV: 4.9% - 5.5% | IBUs: 31 - 35 | Difficulty: Easy

## Porter

A classic dark ale featuring chocolate specialty grains. A nice, hoppy character is balanced well against this roasty, full-bodied beer.

ABV: 4.8% - 5.3% | IBUs: 39 - 43 | Difficulty: Easy

## Chocolate Stout

This full-bodied brew showcases a roasted aroma profile with a rich, chocolate flavor courtesy of the cacao nibs. Sweet caramel and medium hop bitterness round out this chocolatey delight.

ABV: 4.9% - 5.5% | IBUs: 36 - 40 | Difficulty: Easy

## Imperial Stout

This full-bodied dark brew has an intense roast flavor with a huge malt influence. The hop bitterness is offset by a touch of sweetness from the big malt character. Give this beer some time to mature and consider using an oak alternative for added complexity.

ABV: 8.1% - 8.6% | IBUs: 58 - 62 | Difficulty: Easy
